

PLACEHOLDER FREE PREVIEW

This is a stand-in file, not the real guide.

It exists so the checkout, delivery and download limits can be tested from end to end before the real PDF is ready.

Replace it with the finished PDF and redeploy.

Where this file goes

`live/downloads/valencia-guide-preview.pdf`

Served publicly from the site. Anyone who asks for the preview gets this exact URL.

Checklist before launch

1. Export the real PDF
2. Put the Google Map link on its first pages
3. Check it opens on an actual phone
4. Keep it under ~50 MB if you can
5. Replace this file
